

STATE TEAM SELECTION POLICY

Preamble

Golf Tasmania is the governing body for amateur golf in Tasmania and oversees the development of the game and both male and female golfers. At the elite amateur level, teams and individuals will be chosen to represent Tasmania from time to time. These teams and individuals may be male, female or junior players.

Players will be selected for representational duties primarily – but not necessarily exclusively - from athletes who are nominated into various regional squads. Where deemed appropriate an order of merit system will be used to assess performance of squad members and their peers over time to aid the selection process. A player not being in a Regional Development Squad is not precluded from consideration for selection in any team or event.

1 Aim

This document sets out the policy and procedures for selecting athletes to represent Golf Tasmania.

2 State Teams

The following State Teams are selected annually to play in the national Interstate Series:

- Golf Tasmania Men's Interstate Team (Eight Players)
- Golf Tasmania Women's Interstate Team (Six Players)
- Golf Tasmania Boys' Interstate Team: (Six Players)
- Golf Tasmania Girls' Interstate Team: (Six Players)

Additional Teams or individuals, including those for National Ranking Events (NRE) may be selected to represent the State on an as-needs basis.

3 Selectors

The Board will delegate the responsibility of applying the following selection criteria to a panel as either their sole responsibility or as part of a broader scope of reference. The Board through the Chair of Selectors will ensure that the panel members have the appropriate skills and experience and undertake the selections in adherence to this process and are accountable for adhering to these criteria and that they do so without conflict of interest.

4 Amendments to the Selection Policy

This policy can be amended at any time and from time to time by Golf Tasmania for reasons determined to be in the best interest of Golf Tasmania and the sport of golf.

5 Athlete's responsibility to Read

While every endeavor will be made to promote this policy and its contents to potential State Squad members, it remains the individual athlete's responsibility to read this document and seek clarification on any points from the Chair of State Selectors. An athlete who is selected for a State Team must sign and comply with the Golf Tasmania Player Agreement & Code of Conduct.

6 Selection Criteria/Method of Selection

To be eligible for selection as a representative State a player must be an Australian citizen, and a member of a Golf Club affiliated with Golf Tasmania. If a player does not comply with this requirement, they may make application to Golf Tasmania making a case for their exemption.

A player may earn automatic selection for the State Team to compete at the Interstate Teams Matches tournament based on the final results in the age and gender applicable State averages trophy order of merit (OOM) following the final contributing events Morcom Cup, WGT-NW 36-Hole Stroke Championship and Tas Junior Masters.

- For the Men's State team the Toogood Trophy – Tasmanian Men's Order of Merit will be used to determine the leading six (6) players who have recorded scores in the prescribed minimum number of events. These six will qualify for automatic selection providing that their average is 72.00 or below. The OOM will be published on the Golf Tasmania website from time to time.
- For the Women's State team the Lindy Goggin Trophy – Tasmanian Women's Order of Merit will be used to determine the leading four (4) players who have recorded scores in the prescribed minimum number of events. These four will qualify for automatic selection providing that their average is 78.00 or below. The OOM will be published on the Golf Tasmania website from time to time.
- For the Boys' State team the Athol Shephard Trophy – Tasmanian Boys' Order of Merit will be used to determine the leading four (4) players who have recorded scores in the prescribed minimum number of events. These four will qualify for automatic selection providing that their average is 76.00 or below. The OOM will be published on the Golf Tasmania website from time to time.
- For the Girls' State team the Tammy Hall Trophy – Tasmanian Girls' Order of Merit will be used to determine the leading four (4) players who have recorded scores in the prescribed minimum number of events. These four will qualify for automatic selection providing that their average is 80.00 or below. The OOM will be published on the Golf Tasmania website from time to time.

For other teams or individuals selections including non-automatic selections for team positions for the Interstate Teams Matches, or should one of the Order of Merit selections decline, be unavailable, excluded through failure to comply with player agreement or otherwise unable to take their place in the team, the selection panel will nominate players using a combination of objective and subjective criteria. In the case of subjective criteria, Selectors will use their absolute discretion, and will take into account, but not be limited to considering the following:

- Participation and performance at State OOM events, and other State and National Ranking events
- Prior record in State/National events
- Performance over the previous 12-month period
- National ranking
- Suitability of game to the course and weather conditions at which the competition is being held also the type of event (stroke or match play)
- General behavior and presentation both on and off the course
- Physical condition – must be suitable to cope with extended elite competition
- Commitment to Development Squad & training programs
- Collective opinion of the State Selection Panel as to the potential to represent the State at the highest level

Ideally, selection will be by unanimous decision of the State Selection Panel. Otherwise selection will occur by majority vote. If the vote is tied, the Chair will have the deciding vote.

The State Selection Panel may at its discretion give weight to extenuating factors that may prevent an athlete from competing in an event/events or attendance at training or training camps.

In the case of injury or illness an athlete may be required to undergo a medical examination or provide proof of injury or illness by way of a medical certificate.

The State Selection Panel may, at its absolute discretion nominate additional players to any State team, subject to that athlete meeting the Selection criteria.

Each State Team will be announced and presented at the conclusion of the final event in the relevant selection calendar.

7 Removal from a State Team

An athlete may be removed from a State Team/Squad if that athlete:
