Mobile phones are not to be used in the clubhouse or on the course unless in the case of an emergency or a ruling during the round. Play will be from the nominated tee markers. Any player not complying with these requirements will be subject to action in accordance with the GA Codes of Behaviour.

Slow Play

Rule 6-7 will be strictly enforced. Each group must maintain its position on the course with respect to the group preceding them. Any group with a clear hole in front of them will be considered out of position. Penalties will be issued to individuals in such groups who by their pace contribute to such delay. Warnings may not be issued prior to penalties.

Suspension of Play

In the event of heavy rain, lightning or for any other reason, the Championship Committee will be responsible for deciding whether to suspend play. The signal for suspending play will be one prolonged note of a siren. The procedure when play is suspended is outlined under Rule 6-8b. When the course is ready for play, players will be advised to return to various locations. The signal for the resumption of play will be two short notes of the siren.

Motorised Carts

According to GV's standard conditions of competitions, it is the responsibility of the player, if they require the use of a golf cart during the event to send a Medical Certificate and a completed copy of the Golf Victoria Motorised Transport Approval Return Form for consideration by the Match Committee. Please go to the GV website under *Championships & Events* → *Event Resources* → *Motorised Transport* for the return form and more information. **Exemption:** Players aged 75 years and over do not require a Medical Certificate.

Golf carts are at the player's own expense and **MUST** be booked directly with the Golf Victoria as soon as possible. Golf Victoria cannot guarantee the use of a golf cart on any given day of play.

'Safe thru 18' – First Aid Information Guide for Golfers

Golf Victoria is aware that occasionally situations arise out on golf courses where first aid or emergency action is needed, and often golfers are unsure of the best way to respond.

A compact and comprehensive first aid guide titled "Safe thru 18" has been developed in a format that can easily fit into a player's bag. This guide provides information covering many situations that players may face out on course, both critical and common.

A PDF version of the 'Safe Thru 18' guide can be obtained via the following link:

<http://www.golfvic.org.au/event-resources>. In addition a complimentary "Safe thru 18" guide will be available for all players at registration. Additional copies can be purchased through the Golf Victoria office for \$1 per guide.

Golf Victoria stresses that "Safe thru 18" is not designed as an alternative to a first aid course and we encourage all clubs and members to consider taking a professionally delivered first aid course.
