'Safe thru 18' – First Aid Information Guide for Golfers

Golf Victoria is aware that occasionally situations arise out on golf courses where first aid or emergency action is needed, and often golfers are unsure of the best way to respond.

A compact and comprehensive first aid guide titled "Safe thru 18" has been developed in a format that can easily fit into a player's bag. This guide provides information covering many situations that players may face out on course, both critical and common.

A PDF version of the 'Safe Thru 18' guide can be obtained via the following link:

<http://www.golfvic.org.au/resources>. In addition a complimentary "Safe thru 18" guide will be available for all players at registration. Additional copies can be purchased through the Golf Victoria office for \$1 per guide.

Golf Victoria stresses that "Safe thru 18" is not designed as an alternative to a first aid course and we encourage all clubs and members to consider taking a professionally delivered first aid course.
