handicaps of 8.0 GA or less**

KYM HOLMES

Invitational

The Kym Holmes Story

Kym Began playing at a young age and by the time he was in his mid teens he was playing off a scratch or one handicap which he retained for most of his golfing career.

Regarded as one of the best all round sportsmen in the Mount Gambier district during the 1960s, 70s and 80, he excelled at cricket, golf and shooting..... and grew a love for competition.

His accolades were impressive not only at club level but state and regional level with victories all over South Australia and Victoria. He was a regular representative in Mount Gambier golf clubs A1 pennant side and Golf South East teams.

His records are second to none as Kym won the Mount Gambier Golf Club Championship 6 times in 7 years between the years of 1968 and 1974 and won the South East Championship 3 times in years 66,70 and 74

He died in February 2010, aged 64
