

Come Join Us on the 5th of October for the

'LEGENDS FOR LUPUS' CHARITY DAY

"The "Lupus for Legends" Golf Day aims to raise awareness of Lupus, a debilitating autoimmune disease of which the general population has little knowledge. Knowledge of Lupus usually flows when a family member or a friend is, unfortunately, diagnosed with Lupus.

It is currently very difficult to both diagnose and treat and that is why Moonah Links is pairing up with Lupus Victoria to raise both awareness and much needed funds for Lupus research.

The day will be hosted on the spectacular Legends course which is rated in the top 50 in the country and will be a fantastic day out for all involved.

At \$150 you will receive entry to the day, as well as lunch afterwards and a chance to win some great prizes and show your support for a great cause.

For further information about the day or sponsorship/playing packages, please contact:
