And a very special hole-in-one was scored a few weeks ago at Finley Golf Club, which is located approximately 140km west of Albury.

Annie Wood, who had only recently returned to golf after many, many months of enduring treatment for Breast Cancer, had a hole-in-one on the 6<sup>th</sup> hole!

There was much frivolity in the club house with members joining Annie in her celebrations.

As Janet Delmenico said, “we all admire Annie for the determination and the positivity she has shown in the last months”.

Well said Janet, and huge congratulations to Annie!
