

GOLF NSW HITS THE ROAD

Each year during the months of July and August, a team from Golf NSW hits the road to meet with Clubs and Districts across the state.

The leadership teams from all affiliated Clubs are invited to attend a day of presentations, covering important topics such as:

- Strategic and current issues in the golfing landscape
- Government Grants
- Club Support services available from Golf NSW
- Marketing and Membership Initiatives
- Participation Programs

...and the most popular subject...the updates to the Rules of Golf.

LEARNING THE NEW RULES OF GOLF AT GOLD CREEK GOLF & COUNTRY CLUB

“There is no doubt that communication is critical to Golf NSW’s promotion of its Club Support services and initiatives, and there is no better way to do this than face-to-face”, says Golf NSW CEO – Stuart Fraser.

This year, over 430 Club Managers, Presidents, Captains, Ladies Committee Captains, Board Members, Club Professionals and volunteers attended the Roadshows across NSW, representing 147 Clubs and 16 Districts.

The Golf NSW team covered over 5,000km to meet at 12 locations, from Ballina to Thurgoona, and Concord to Griffith.

The feedback from the tour has been overwhelmingly positive and has resulted in requests for many Club Support visits and calls for assistance. And what a privilege it was to meet so many incredible people dedicated to growing the game, and so passionate about their Clubs.

All the team from Golf NSW are always available to support Clubs in need of any type of assistance. All requests should be sent to Stuart Fraser – CEO, Golf NSW at info@golfnsw.org.

IT WAS A FULL HOUSE AT THURGOONA, DUBBO, BONVILLE AND GOLD CREEK
