VARDON AWARDS

In 1974 the South Australian Golf Association introduced the Men's Vardon competition, with the winner being decided on averages calculated over a number of events.

Women's Golf South Australia, introduced its Vardon series in 1976 and was based on a points system.

The Junior Boys Vardon has been running since 1981.

The formation of Golf SA in 2008 has seen the Vardon revised and merged into a single competition based on the same conditions of play.

The Vardon is ranked as one of the most prestigious Amateur golf competitions in the State.

I would now like to invite The Chair of Golf SA Tony Timmins to come forward to present this years Vardon Trophy winners.

(GOLF SA) JUNIOR BOY'S VARDON TROPHY WINNER

Ben Hook (MC)
