And in other news...

Just how easy is the game of Golf? At the Finley Golf Club, in the 18 Hole Stableford Competition, on Wednesday 24th October, not one but two Holes-in-One were scored.

First up, Alan Hand holed out on the 155 Metre, Par 3, 3rd Hole then at the 133 Metre, Par 3, 11th, it was Paul Pinnuck who after searching through the GUR at the back of the green for what was thought to be a lost ball, found he had made it a double for the day.

According to Club Captain, Rand Wilson, the excitement for these players must have affected their play for the rest of day as neither featured in the results when presentations were made .ش
