Reciprocal Arrangements for Club Members

- 32.5. Clubs in each Division/Section are requested to invite some members of the Host Club in their Division/Section to play on their course on the day of the Major Pennant and, if possible, compete in Club competition. Clubs are particularly asked to assist one another if possible in order to overcome congestion experienced on the days inter-club competition is hosted.

33. HOST CLUB RESPONSIBILITIES

- 33.1. When hosting a pennant competition, the preferred time is early Sunday morning. If there is member or social play ahead of the Pennant Contest, Clubs should program the member's competition on the day to be a Par or Stableford event to promote minimal round times.

Buffer Zones

- 33.2. It is a Condition that the Host Club provides a minimum buffer zone of 40 minutes.

Penalty: As determined by the Golf NSW Golf Committee.

Course presentation

- 33.3. It is expected that each Club involved in the Major Pennant will present its course in a condition of the high standard that the Major Pennant deserves.
- 33.4. The course set-up should be no harder than that used for club medal day competition.
- 33.5. The Golf Australia guidelines regarding hole positions should be strongly adhered to for all Major Pennant contests, particularly on days of inclement weather. The guidelines provide the following advice:
- The hole should be positioned at least four metres from any edge of the green. If a bunker is close to the edge, or if the ground slopes away from the edge, the distance should be greater;
 - An area of two or three feet around the hole should be as level as possible. Effort should be made to ensure holes are not positioned within three metres of a very severe slope or ridge or of a recently cut hole;
 - Consider the condition of nearby turf, especially taking care to avoid old plug holes;
 - Ensure there is a balanced selection of holes for the entire course with respect to left, right, central, front and back positions.

Match Committee

- 33.6. It is the responsibility of the Host Club to see that at least one or preferably two members of their Committee (constituting the Match Committee for the day unless otherwise stated) are available during play, to ensure that the Conditions are adhered to, and to adjudicate on any queries that may be raised. A participant (player, caddie or Team Manager) cannot be a member of this Match Committee.
- 33.7. The Match Committee is responsible for:
- Ensuring that matches commence on time and remain on time;
 - Monitoring pace of play (and issuing penalties as required);
 - Adjudicating on any Rule of Golf or these Conditions, where delegated to do so.
- 33.8. The Match Committee should ensure that they have a copy of these Conditions with them.
- 33.9. Any decision on Rules required during play of preliminary rounds, will be given by the Match Committee of the Host Club, and any decision so given will be final.

Results

- 33.10. It is the responsibility of the Host Club to:
- Notify AAP (ph: 9322 8000) of the results; and
 - File the result sheet immediately after the completion of all Contests and enter the results into the online pennant result system.

Practice rounds

- 33.11. The availability of Practice Rounds for visiting Clubs prior to a Contest and the setting of any associated green fees are at the discretion of the Host Club, however it would not be appropriate to charge a fee.

Entertainment and Catering - Preliminary Rounds

- 33.12. All visiting competitors should be honorary members of the Host Club for the day.
- 33.13. Any entertainment during the playing of matches is to be kept to a minimum, and such entertainment is to be agreed upon by negotiation of the Clubs in each Section prior to the day of play. It is strongly suggested the Club Captain or General Manager contact the other Clubs (Teams) in their Division and agree on the level of entertainment prior to each season.

34. HOSTING FINALS OR RELEGATION CONTESTS

- 34.1. All visiting competitors should be honorary members of the Host Club for the day.
- 34.2. Clubs participating in the Major Pennant are required to provide their course, when requested by the Golf NSW Golf Committee, for Semi-Finals, Finals or Relegation Contests and allow a 40 minute buffer zone. Host Clubs will be advised nine months prior to the event to assist with programming.
- 34.3. Clubs requested to host a Semi-Finals or Final Contest must allow a practice round (at no charge) for the competing teams (maximum of eight players in each team) and provide a cart for each Team Manager.
- 34.4. The course should be set up as per 'Course Preparation' above.
- 34.5. For Semi-Finals and Relegation Contests, food and beverage on the day is to be discussed by the participating clubs and the host club and the cost is to be borne by the participating clubs.
- 34.6. For the five Divisional Finals, Golf NSW will arrange drinks and savouries for the Presentation.
- 34.7. During Semi-Finals, Finals and Relegation Contests there should NOT be a break in play at half way.

APPENDIX 1 - REFEREES

When referees are watching play through having been assigned to a particular place on the course, their duties are different from those of a referee assigned to accompany a match. In match play, the players in a particular match are there to protect their own interests. A referee who is not assigned to accompany a match has no authority to intervene in a match other than in relation to the Rules of The referee's presence on the course is solely to assist players in the event of a claim. The handling of the situation will depend on whether the Committee has granted individual members unlimited authority to represent the Committee and make final decisions. This is an issue that the Committee should clarify in advance. However, deferring a decision should be resorted to only in exceptional circumstances since it is a principle of match play that each side is entitled to know the state of the match at all times.

APPENDIX 2 - PACE OF PLAY GUIDELINES

Each match must maintain its position on the course with respect to the match preceding it and maintain the time requirement specified on the Pace of Play Time Chart issued to players at the course. If a time chart is not issued, the following time schedule for the completion of each hole applies:

Par 3 Holes	11 minutes
Par 4 Holes	13 minutes
Par 5 Holes	15 minutes

In exceptional circumstances (such as extreme weather/playing conditions), the Golf Committee has the authority to extend this time requirement.

The first match to start will be considered out of position if, at any time during the round, the group is behind the cumulative time prescribed by the above time schedule. Any following match will be considered out of position if it (a) is taking more than the allotted time to play and (b) reaches the tee of a par-3 hole and the preceding group has cleared the next tee; reaches the tee of a par-4 hole and the putting green is clear; or reaches the tee of a par-5 hole when the preceding group is on the putting green. Both (a) and (b) must apply for a group to be out of position.

Pace of Play Penalties – Match Play

An out of position match may be monitored and timed. Anytime a match is being monitored and timed they will be notified of such timing by a Golf Committee representative or a Rules Official.

The following are the penalties, in sequence, for any player in a match being timed who takes more than the allotted time (see below) to play a stroke after timing of the player's stroke begins:

1st offence – loss of hole

2nd offence – loss of hole

subsequent offence – disqualification

Timing

When a match is being monitored and timed each player is expected to play any stroke within **40 seconds** after timing of the player's stroke begins.

Other than on the putting green, the timing of a player's stroke will begin when he has had a reasonable opportunity to reach his ball, it is his turn to play and he can play without interference or distraction. Time spent determining yardage will count as part of the time taken for the next stroke.

On the putting green, timing will begin after a player has been allowed a reasonable amount of time to lift, clean and replace his ball, repair his ball mark and other ball marks on his line of putt and remove loose impediments from his line of putt. Time spent looking at the line from beyond the hole and/or behind the ball will count as part of the time taken for the next stroke.

Repeated infringements of the pace of play guidelines will be referred to the Golf NSW Golf Committee for further consideration and may see a player subject to further action including suspension from further representation of his Club for the season.

Note 1: The Committee reserves the right, at any time, to monitor or time a group/match when the Committee deems it necessary. Players should also be aware that the Committee may assess a “bad time” to a player in a match that is out of position if the player makes no effort to help his match get back in position. An example of this would be a player who unduly delays play between shots.

Note 2: If the match in question regains its proper position, any previous breach of these guidelines will be carried over for the remainder of that stipulated round in the event that the match requires additional monitoring.

APPENDIX 3 – ADVERSE COURSE CONDITIONS

As per Condition 27 it is imperative matches be completed and a result obtained on the day. The following are guidelines in deciding if the course is playable.

- Provided a minimum of 9 holes are available for play, in accordance with the Rules of Golf, then play should proceed. The matches are still to be played over 18 holes, however a hole or holes can be played more than once.
- It is acceptable that a composite course be used.
- Preferred lies can be in place, even through the green.
- Bunkers can be out of play.
