And there are some great stories to accompany these shots:

- For Richard Stewart and Andrew Cawsey from East's Leisure and Golf, it was their first ever hole-in-one
- Wayne Duckett from Tallwoods Golf Club scored another hole-in-one...on the same hole...with the same club...in April this year – wow!
- Bryan Morgan from Wyong Golf Club was extremely surprised when his ball landed at the front of the green, then ran 6m into the hole

And the best story of all...

The 4 Person Ambrose event at Branxton Golf Club on May 18<sup>th</sup> proved to be a very memorable event with local winning A Grade member, Isaiah Wolferstan playing one of the shots of his life...holing his tee shot on the 10<sup>th</sup> hole – a 282m Par 4, surrounded by water, just like an island green – WOW!

His group couldn't be sure where his tee shot landed, as the view is rather blinded from the tee, so after looking around the water hazard, they decided to have a look in the hole, and voila – there it was! Unbelievable!

What an achievement Isaiah – and congratulations on being the first player ever to score an ace on that hole!

WITH THANKS TO BRANXTON GOLF CLUB FOR THIS STORY
