

## MAKE A DIFFERENCE TO A CHILD'S FUTURE

### THE IAN STANLEY CLASSIC

#### "GOLF FUNDRAISING EVENT"

The inaugural Ian Stanley Classic "Make a Difference to a Child's Future" fundraiser event, at the Hepburn Springs Club on Friday 22<sup>nd</sup> November is a partnership between Hepburn Springs Golf Club, the Tee Up For Kids Foundation and Cafs.

A part of our region for over 150 years, Cafs has provided services for thousands of people every year. There are over 50,000 children across Australia living in Out of Home Care (Foster Care, Kindship Care or Residential Care) this number is enough to fill half of the M.C.G. On any given night, Cafs has around 120 children in out-of-home care who desperately need your help.

Whilst this is an inaugural event, we are very confident it will be a success and enable us to fund several programs in the Ballarat/Daylesford Area. These programs include the development of Cafs Care Farm which is a special environment which aims to reconnect children with their natural surrounds, animals and outside activities.

Many of these children are extremely vulnerable and have suffered because of severe abuse and/or neglect by their families. Sadly, in their young lives they have seen the awful consequences of abandonment, neglect, physical and even sexual abuse. The impact of their trauma makes it virtually impossible to manage alone; they need help along the way to deal with life's challenges.

The Tee up For Kids Foundation strives to deliver educational assistance through Cafs programs in our local region. If a child is not provided a basic education, as well as the necessary care and support, their future is not promising.
