

Personal Invitation

MAKE A DIFFERENCE TO A CHILD'S FUTURE

It is with great pleasure that we invite you to the inaugural Ian Stanley Classic on Friday 22 November 2019, at the Hepburn Springs Golf Club, to remember Ian and enjoy a fun-filled afternoon of golf.

Ian was both a champion on and off the course, he was locally involved at the Hepburn Springs Golf Club for many years and amongst his other pursuits Ian was a founding director of Tee Up for Kids, a not-for-profit organisation which raises money for children in out-of-home care.

Children who can't live or be nurtured by parents or other significant adults, are shunted around courts and the protective system endlessly. They simply grow physically, but not emotionally; and they are just not given the consistent love, support and opportunities to experience the ordinary things of life and build a range of sound and life-giving relationships.

These are the children that Ian was, and the Tee Up for Kids Foundation is committed to helping in the Daylesford Hepburn region. Your involvement will help the Foundation contribute to their educational needs and give them an opportunity to enhance their lives – they only have one childhood, one opportunity.

Come along, ensure the day is fun, exercise your social responsibility, but most importantly ensure it is a unique tribute to Ian.

Helping Under-Privileged Children Prosper

- **Access to Early Learning** - offers kindergarten and focused education support to eligible kindergarten children
- **Transition to school program** - assists vulnerable pre-school children to prepare for primary school
