

Are you living with dementia or do you know someone living with dementia? **Are you/they interested in a social round of golf?**

Dementia Australia has launched a new activity that connects a person with an early diagnosis of dementia with a golf companion. Participants have the opportunity to enjoy a regular nine holes of golf with some additional individualized support.

This monthly activity brings groups of 4 people together to play golf at Malvern Valley Golf Club and finish their session with a coffee.

MORE INFORMATION

For more information and to see if this activity might suit you or your family member, please contact Janelle Russ, Social Support Co-ordinator, Dementia Australia on **9815 7800** or **0408705176**.
