**2020 ISPS HANDA VIC OPEN – THANK YOU**

Dear Volunteers,

On behalf of Golf Australia, THANK YOU for your assistance at the 2020 ISPS Handa Vic Open.

Major events cannot be possible without the appreciated support of our volunteer army bringing everything to life!

The energy and enthusiasm you all brought to your roles ensured the smooth delivery of operations throughout the week. We recognise that there were long hours and testing weather conditions involved so we thank you for your valued contribution.

The ISPS Handa Vic Open is a unique global event which is largely built upon the community creating an inclusive environment for everyone involved. Post event feedback has been very positive, and we are proud to showcase world class golf on the Bellarine Peninsula.

You are all invited to attend the Volunteer Appreciation Day on Tuesday 19 May at 13<sup>th</sup> Beach Golf Links which falls within National Volunteer Week. There will be golf on in the morning (8:30am shotgun start) followed by a BBQ lunch which you are invited to attend both or the lunch only.

An invitation is attached, along with a link to a post event survey. We openly encourage you to provide feedback to help us continue to make improvements.

Thank you once again and we hope to have you back in 2021!

Yours sincerely,

**SIMON BROOKHOUSE**  
General Manager – Golf Operations

**MICHELLE HUI**  
Victorian Open Manager

**FIONA LEGGETT**  
Volunteer Coordinator
