

History & Honour Roll – South Australian Women’s Pennant

History

Women’s Grade 1 Pennant commenced in 1930 and was administered by Women’s Golf South Australia (WGSA).

In 2017, the Women’s A1 Pennant trophy was re-named after Pauline Sanderson as the “Pauline Sanderson Cup”. Pauline was inducted into the South Australian Golf Industry Hall of Fame in 2012 in recognition of her astounding contribution to South Australian Golf, both as a player and administrator. The Women’s A2 Pennant trophy was also re-named as the “Pike Cup” after Fiona Pike. Fiona was a prominent South Australian professional golfer for over 13 years. Fiona passed away in 2009 after a stoic three-year battle with skin cancer whose legacy lives on through the Fiona Pike Skin Cancer Awareness Campaign.

Today, there are six divisions of Women’s Pennant – Sanderson Cup, Pike Cup, A3, A4, Cleek 1 and Cleek 2. Each club is represented by a five-person team. The competing clubs are divided into divisions with a promotion/relegation system in operation to determine the composition of divisions for the following season. The Cleek 1 and Cleek 2 divisions are handicap match-play contests.

The Pennant season is “Round Robin” match play contests between clubs at one venue in each division every week. At the conclusion of the minor round contest, the top four teams in each division compete in semi-finals to determine the top two teams to compete in the final to decide the divisional flags.
